HMSDC MEETINGS

The following meetings will be held virtually using Microsoft Teams Technology.

- All **Standing Committees and Industry Group Meetings** will be held virtually. You will need to accept the committee meeting notices that have been sent to active committee members to access the dial-in and video conference link for each standing committee. If you do not have the meeting notice, contact Jenera.Thierry@hmsdc.org.
- **Lunch with the President** will be held virtually. Attendees will need to register through our website and receive meeting resources, dial-in and video conference a day prior to each session once registration closes.
- **Pre-Certification Workshops** will be held virtually. Attendees will need to register through our website for the pre-certification Workshop to receive meeting resources, dial-in and video conference links.
- **EnterChange Sessions** will be held virtually. Newly certified MBEs will be invited to attend and register with our certification department to receive meeting resources, dial-in and video conference links.
