

MBE Leadership Academy

The MBE Leadership Academy is a comprehensive multi-month program that develops the essential skills that emerging minority business enterprises (MBEs) need to enhance their strategic and operational leadership. This program is designed to guide MBEs in developing a growth plan and provide the opportunity for them to pitch to financial institutions. The MBE Leadership Academy provides the tools that will help them manage their profitability, productivity and performance in cyclical markets.

Eligibility

- ✓ Open to all HMSDC certified MBEs
- ✓ Class 1 and Class 2 firms (under \$10M annual revenue)

MBE LEADERSHIP ACADEMY BENEFITS

- Each session builds on the next to assist MBEs with the development of a strategic growth plan
- Enhances the skills needed to be an effective strategic and operational leader
- Prepares participants to present a well honed business pitch to corporate members of HMSDC
- Positions participants to seek funding from financial institutions supporting HMSDC
